10 Travel to and from School on Buses

- 10.1 Parents are responsible for ensuring that their children travel safely to and from school. Pupils are not supervised by school staff when travelling on buses and they are expected to behave responsibly and to follow the driver's instructions. This includes wearing a seat belt at all times.
- 10.2 The Headteacher reserves the right to prohibit a specific pupil from travelling on school sponsored transport if their behaviour does not meet the required standard.

11 Leaving the Site during the School Day

- 11.1 It is expected that all pupils will be on site for the entire day unless they have specific permission to leave

12 Supervision Duties

- 12.1 All members of the staff are expected to take their share of break and lunchtime supervisory duties. For more information on staff duties, please see the duty rota.
- 12.2 All classes will be supervised by the relevant teacher and in certain subjects, for example food, art and science; the teacher may be supported by a technician.

13 Supervision during PE Lessons, including Changing Arrangements

- 13.1 PE lessons are supervised by members of the teaching staff. When older pupils are changing or showering, teachers must be mindful of both their responsibility for appropriate supervision and the need for a pupil's privacy, with due regard for the Safeguarding and Child Protection Policy. Staff will only enter the changing facilities where they believe **not** to do so may place a child at risk. Younger children e.g., those under aged 7 years, and those with SEND may require full supervision or support with changing, undertaken by two teachers being present.

14 Medical Support

- 14.1 There is a qualified first aider on duty from 8.00am to 6.00pm every day. They are available to administer first aid, to help if someone is ill or injured, and to deal with any accidents or emergencies. A pupil who feels unwell during the day should report to the class teacher/member of staff and then to the school office for further support. The School Office will administer first aid and notify parents if necessary for collection or further treatment.

15 Supervision in Remote Locations

- 15.1 Some potentially dangerous areas of the school are out of bounds to unsupervised pupils. These include science laboratories and the grounds, maintenance, catering and caretaking areas of the school and the wooded area behind the tennis courts.

16 Lost or Missing Children

16.1 In the instance that a child is lost or missing whilst on the school site we will follow the following procedure:

If a teacher/member of staff suspects that a child is missing from a lesson or activity, they will contact the nearest member of SLT and school office immediately.

All remaining children will be kept safe in a secure place with adequate adult supervision, including assistance from other school staff if necessary.

A full headcount will be taken by the teacher-in-charge and matched against the register; usually the class teacher or nominated person.

A senior member of staff will make a thorough search of the building and/or site and immediate surroundings including storage areas and toilets. A thorough check of all exits will be made, to ensure all gates/doors are locked and there is no other way a pupil could have left the site. If something is discovered, the SLT member must be immediately informed.

The following list held in the school office will be checked: attendance register, off site records, and other school clubs.

If the child is not found after this initial search and/or approximately 10 minutes from the initial report of them deemed missing, the school office will inform the Headteacher and Director of Education (Cognita Head Office), including where a child is found wandering or at risk of being lost or missing. The Designated Safeguarding Officer in school will be notified immediately and they will ensure that the parents have been informed by the responsible teacher. The Headteacher, or SLT member in the absence of the Head, will decide at which point the police will be called.

All relevant emergency contacts for children will be used to inform parent/carer(s) accordingly. However, until such time as the child is safely returned to the care of the parent/carer(s), the Headteacher remains responsible for the care and welfare of the child, including off site.

As soon as is practicable, the Serious Incident Reporting Form will be completed by the Headteacher and sent to Cognita's Head of Education Compliance. The Group Leader (off site) or responsible form/class teacher will make a contemporaneous record to provide full details of the incident in the school's incident report book. A note will also be made on the school's attendance register accordingly.

Near misses will also be recorded and reported to the Director of Education/Education Executive and details fully provided in writing to the school's governance panel or meeting. This Report must outline the steps being taken to avoid any repeat incident, communication with parents and actions to be taken following the risk assessment process to mitigate future risk. Any relevant policy and procedure must be reviewed and submitted to UK compliance committee for approval, via Head of Education Compliance.

All incidents will be reported to the Director of Education, for the attention of our insurers, as appropriate. Staff must try to remember and write down a description of what the child was wearing and any distinguishing features.

If a missing child has any special medical or learning needs, then these need to be noted to be disclosed to the police or other agencies.

A thorough search of the premises should continue until the child is found.

Following the incident, it is in everyone's interest to resolve what has happened as quickly as possible, consistent with a fair and thorough investigation.

The written findings of the investigation must be reported by the Headteacher to Cognita SSC within 48 hours of the occurrence of the incident.

Where the child is within the EYFS age range, Ofsted must be informed of the incident. Local Authority Children's Social Care should also be informed.

All relevant policies and procedures will immediately be reviewed and revisions presented formally to the Director of Education/Education Executive for approval within 5 working days.

The parent/carer(s) will be involved at all times.

Following receipt of our investigative report, the Group Director of Education will report his conclusions as to the next steps to further safeguard and promote the welfare of children in the care of the school to the UK compliance committee.

Where the parent/carer(s) remain concerned despite reassurances informally by the school, they may choose to use the school's complaints procedure accordingly

- 16.2 In the instance that a child is thought to be lost or missing on whilst off-site we will follow the following procedure:

The Group Leader must ensure the safety of remaining pupils.

At least two adults must stay with them depending on numbers and what is deemed appropriate.

One or more adults should immediately start to search for the child as deemed safe.

If the child is not found within 5 minutes, the Group Leader must then contact the police by telephoning 999 (within the UK or similar equivalent number if overseas).

The Group Leader should alert the school office, or in the case of out-of-hours, the nominated school contact for the trip, that the police have been contacted. The school will make arrangements to notify the parents accordingly.
